A103.2.8 Area Calling Service with Local Usage Detail (LUD)

(Obsoleted 9-27-2002, Type D, Tariff Reference A3.2) Business Area Calling Service with LUD will not be available for new installations, additions to existing service or transfers of service to new locations.

(DELETED)

(D)

- A. Area Calling Service is an optional offering that provides local calling from the subscribers' home wire center to all exchanges within the Full Local Calling Area, as described in A3.6.1 of this Tariff.
- B. This service is not available to party line customers, Shared Tenant Service or customer-provided public telephone subscribers with the exception of SmartLine[®] service for Customer Provided Public Telephones. Subscribers to SmartLine[®] service may subscribe to Area Calling Service usage rates as follows. The access line for SmartLine[®] service on Area Calling Service is provided in A107.8 of this Tariff. Premium Calling is not available to SmartLine[®] service subscribers.
- C. The access line for Area Calling Service is provided at the following rate. All other services offering Area Calling Service are provided for in the appropriate sections of this Tariff. Separate access line rates are provided for LUD subscribers. LUD is described in A3.22 of this Tariff.

In accordance with KPSC Docket No. 91-149, the Georgetown, Sadieville and Stamping Ground exchanges have an exception to the statewide group.

- I. Access Line (with LUD)

		Monthly Rate Rate Group		Exception	USOC
		1 - 4	5		
(a)	(DELETED)				
(b)	Business Inward	\$29.70	\$33.00	\$29.70	B2K1D
(c)	Business Both Way	35.70	38.35	35.70	B2K2D

(D)

- D. In addition to the access line, Area Calling Service customers are billed local usage charges for all calls completed within the Full Local Calling Area at the charges shown in A3.2.8.E. of this Tariff.
- E. Time/Day Discount - The preceding usage rates are peak period rates and apply from 8:00 AM to 8:00 PM, Monday through Friday (excluding holidays). Off-peak period rates apply to all other times and are rated at a 50 percent discount. When messages span more than one rate period, total charges for the minutes in each rate period are summarized and the results for each period are totaled to obtain the total message charge.
- F. Grouping rates for subscribers of Area Calling Service are described in A3.19 of this Tariff.
- G. Calls completed with automated calling cards or operator assistance within the Limited Local Calling Area or Full Local Calling Area as described in A3.6.1 of this Tariff will be rated at the usage charges in A3.2.8.E. of this Tariff in addition to the appropriate Operator Assisted Local Call surcharges. Such calls are itemized on the subscriber's billing statement and will be billed usage charges based on the originating number.
- H. Calls made outside the Limited Local Calling Area, but within the Full Local Calling Area, on which customers requests time and charges, will have those quotations based on toll rates. This includes hotel paid guest quotation calls.
- I. All rules and regulations that appear in other sections of this Tariff apply unless otherwise stated herein.

A103.8 Joint User Service

(Obsolated 3-11-87, Type D, Tariff Reference A3.8.) on and after 3-11-87. Joint User Service will not be available for new installations, relocations, transfers of service or additions of access lines, additions of joint users, additions or changes of listings and additions of central office controlled features such as Touch-Tone and Custom Calling Service. All Joint User Service will be discontinued by March 10, 1992.

A103.8.1 Application And Regulations

- A. In general, Business Exchange Service is furnished for the exclusive use of the business subscriber and his employees, agents, and representatives. Joint User Service is a shared service arrangement which allows the business telephone Exchange Service of a subscriber to be used, when designated by the primary subscriber, by individuals, firms, or corporations not otherwise permitted use of the subscriber's Business Service by this Tariff.
- B. Joint User Service is permitted in connection with the following:
 - 1. Business Individual Line Flat Rate, Measured Rate *or* Message Rate Service.
 - 2. Commercial PBX Flat Rate, Measured or Message Rate Service.
 - 3. Hotel PBX Service.
 - 4. Centrex Type Services.
- C. Application for Joint User Service and for changes in service or equipment furnished therewith, must be executed by the primary subscriber. The primary subscriber is responsible for payment of all charges incurred, regardless of whether such charges are associated with his usage or that of any of his Joint Users. Stations, additional listings and miscellaneous equipment are furnished, with the consent of the primary subscriber, for use of the Joint User, at the regular rates.
- D. Charges for Joint User Service date from the day of the Company's information records are posted and are payable monthly in advance. The minimum chargeable period for Joint User Service is the life of the directory issue in which the listing first appears, not to exceed one year from the effective date of the listing. Contracts for Joint User Service are self-renewing for periods of one directory issue, not to exceed one year from the effective date of the directory. In the event the joint user listing does not appear in the directory, the minimum chargeable period is for one month.
- E. Joint User Service is terminated and charges for Joint User Service are automatically discontinued upon termination of the primary subscriber's telephone service. Charges for Joint User Service may be discontinued at the request of the subscriber provided that the Joint User no longer utilizes any of the customer's service or equipment, and also that the terms of the minimum service period have been satisfied.
- F. The total charges for telephone service allocated by the primary subscriber among the subscriber and his joint users shall not exceed the charges of the Company to the primary subscriber as set forth in this Tariff.
- G. Joint Users of a primary subscriber's service must have the option of obtaining service directly from the Company.
- H. A Joint User is entitled to one listing in the alphabetical section of the telephone directory.
- I. Joint User Service is not provided on party lines.

A103. OBSOLETE SERVICE OFFERINGS – BASIC LOCAL EXCHANGE SERVICE

A103.22 Local Usage Detail (LUD)

(Obsoleted 9-27-2002, Type D, Tariff Reference A3.22) Area Calling Service with LUD will not be available for new installations, additions to existing service or transfers of service to new locations.

A103.22.1 General

- A. Local Usage Detail - (LUD) is an option for Area Calling Service customers who desire a printed listing of call details for local calls. For Area Calling Service customers this will include all calls terminating within the Full Local Calling Area. This printed listing is in lieu of the usual summary billing of all dialed sent paid usage. LUD is furnished on a billing date basis only, i.e., the service must be initiated and terminated on billing dates and must remain in effect for all intervening complete billing periods, except when associated with Area Calling Service which is either established or terminated between billing dates. Requests for LUD must be received at least five days prior to the billing date on which it is initiated.

A103.22.2 Rates

- A. The following charge applies for LUD within the Limited Local Calling Area when provided to Measured Rate Service subscribers.

1. Printed Listing

- (a) Additive for Measured Rate - Area Calling Service with LUD for MultiServ[®] service Main Station Lines, MultiServ[®] PLUS service NAR(s) or BellSouth[®] Centrex service NAR(s)

Charge	USOC
3.00	UPPMA (M)(T)

Charges for LUD are in addition to other applicable local usage charges specified in this Tariff.

LUD will be provided on a per line basis except when a customer has multiple lines on the same service account for combined usage and allowance billing. One LUD listing is furnished for these combined accounts.

- B. The subscribing business will incur the CourtesyComplete* service charges.
- C. The third party originating the DA request will incur the DA charges.
- D. This service is available except as limited in A3.24.4 of this tariff.
- E. Individual call detail is not included as part of this service.
- F. This service is offered where local Directory Assistance Call Completion is available.

A103.27.2 General Regulations

- A. A customer may subscribe to only one CourtesyComplete* service plan per account.
- B. This service is not subject to concession and/or allowances.
- C. Minimum service period is one month.
- D. Suspension of the service is allowed.
- E. This service is offered on the line level.

A103.27.3 Use of Service

- A. This service is furnished subject to all applicable regulations in Section A2. of this Tariff.

A103.27.4 Nonrecurring Charges

- A. After ninety days of the effective date of this Tariff, secondary service charges as described in A4.3.1.C of this tariff are applicable per subscription to Courtesy Complete* service.

A103.27.5 Options

- A. The subscribing business customer will choose one of two CourtesyComplete* service plans.
- B. The recurring monthly rate and the rate per DA request completed are as described in A103.27.6 following for each option.
- C. CourtesyComplete* service charges, as outlined in A103.27.6 following, apply to all CourtesyComplete* service requests completed to the subscribing account. DA charges, as outlined in A3.13.3 of this Tariff, are applicable to the third party originating the DA request.
